

Primary Talent Development Grades Pre-K through 2nd

<http://archives.marylandpublicschools.org/msde/programs/giftedtalented/ptd.html>

The MSDE Pre-K through 2nd Primary Talent Development Program is a science-based critical and creative thinking curriculum. Primary Talent Development engages all students in open-ended, hands-on, problem solving experiences which promote the learning behaviors associated with lifelong success: perceptivity, communicativeness, inquisitiveness, persistence, creativity, resourcefulness, and leadership.
